DCM Report: Rodney did not attend the Area meeting. Dave stated you can now get hearing aids for assemblies. Preparation for the Election Assembly is going on. Preregistration forms should be available after the third Saturday of this month. The Area is providing a workshop for “service sponsorship” in September. Billy expressed concern that there is a lack of communication between the local districts and the area. He suggested Rodney coordinate coffee or something with the other two districts. There is a new designation of Districts 40- 47 as the “South Forty”. Billy is concerned that the designation may cause a division later on. District 43 needs an Alternate DCM. Billy suggested the need to reach out to remote groups i.e. Sanger, Reedley, Coalinga, etc. Members discussed that they would like to do that at sometime in the near future. (M/2/A)

Secretary Report: Provided in writing. (M/2/A)

Treasurer Report:

| As of June 1, 2013 | Expenses | Income | Total |

| Month of June | \$0.00 | \$335.74 | \$316.22 |

Steve stated that corrective action was taken to correct last month’s \$300.00 deposit and withdrawal. Central and Young People’s Roundup contributed. Ray asked if we get a detailed list of expenses. Steve said the group did not want a list and wanted to keep it simple. The group would like to have a list of itemized transactions. They would like to know what money is spent on and where money is coming in from and who is contributing. Steve stepped down as the Treasurer. Aeris nominated as Treasurer, seconded and approved. Rodney to get together with Aeris to get him on the bank account. (Motion to accept report as given/seconded and approved)
